

Drying Rack Versatility

added style and function

Acrylic stand for our most popular drying rack!

This sturdy stand is fabricated of 3/8" clear acrylic adding style and function to a normally wall mounted rack (259184-0000).

The 4.5 lb stand includes all hardware needed to attach to the drying rack and also comes with a 5' section of our vinyl laboratory tubing (610855-0012). The rack can be tilted up to 20° for added stability and ease of use.

159184-0001 Rack Stand \$70.00 each

72 place drying rack

This 72 place drying rack is molded of high impact polystyrene. It comes supplied with 72 large pegs, draining tubes, fastening stoppers, and expansion hanging hooks which allow coupling with additional racks. The pegs are 4" long and the drip ledge measures 3".

259184-0000 Drying Rac \$233.84 each
