

# Univers MV

## Educational laminar flow hood for product protection

Protects product and work space from contaminants in a ISO-5/Class 100 environment

### Industries using the model

- Education
- Electronic
- Optic
- Botanic

### Advantages

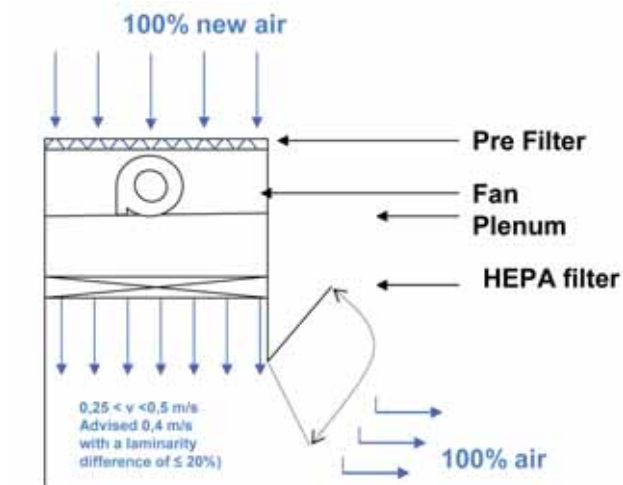

- Easy manual control panel and speed variator
- Fluorescent lighting. Optional UV Lamp.
- G4 Prefiler, HEPA Filter - 99.999% efficiency. Blue gel filter seal.
- Secure glass sides
- Silent, low cost operation.
- Easy installation, economic price.

### Electrical Requirements

- 110V/120 Volts

### Documents Included

- Conformity Certificate
- 1 year warranty
- User Manual
